

# Thank You!

Welcoming new patients to our practice is a very rewarding experience, and a responsibility we accept with pride and commitment.

To thank those of you who think of us when referring family and friends for dental care, our offices have put together their very own "Share the Care" program!

Simply write your name on the front of your "Share the Care" cards and give them to your family and friends.

New patients to our practice will receive \$25 off any office visit when they present the card you have given them at their first appointment. As our way of saying "thank you" for the new patient referral, you will receive \$50 to be used towards any of your future dental treatments!

Additional cards may be picked up at any time at the office, or simply visit our website, [www.magicdentist.com](http://www.magicdentist.com), go to "Share the Care" and print them out at your convenience.

Thank you again for your interest and support in our practice, but most of all, for your interest and investment in excellent oral health.
