

## Patient On Call

As a member of our Patient On Call Club, you will be eligible for a 20% discount on all future hygiene visits. Your responsibility as a club member is to help us reduce the amount of "lost time" by being available to fill our "short notice" openings. You will also be helping to keep the costs lower for your family and neighbors in the community that also visit our office. In addition to your 20% discount on your regular cleaning, you will receive a "Patient On Call" T-shirt and ID card.

### Here's WHY it works...

We have the privilege of working in your busy and vibrant community. Our patients are involved in many activities from work, to school, to family. When these all come together it can make it hard to schedule appointments in advance or patients will need to cancel an appointment with short notice.

Last minute changes leave openings in the hygiene team's schedule which results in "lost time" and can raise the overall cost of dental care.

This program will help to fill those openings and reduce the cost for "lost time".

### Here's HOW it works...

You no longer need to schedule your regular cleaning appointments. Because you have a flexible schedule we will keep you in our "on call" database.

When it is time for your regular cleaning, we will call you to inform you that you will be "on call" for that month.

When an opening comes up we will call and schedule you for your appointment. These appointments will be for available spots within 24 hours.

### WHO is eligible to participate?

If you are a regular patient that is 65 or over, have a flexible schedule, and are committed to maintaining your oral health then this is the program for you!

### Membership Rules...

We will call you within 3 weeks of the day you are due for your regular cleaning.

We will call you up to 3 times and try to schedule you with a short notice appointment.

If you are unavailable for any of these 3 attempts, we will schedule a regular appointment for you and no discount will apply at the time.

You will remain a Patient On Call member and we will try again for your next regular cleaning.

There is a 20% maximum discount. Additional Senior discounts and coupons do not apply.

Payment is due at time of service to receive any discounts.

If you wish to join, simply fill out this form and bring it to the desk!
